

Amara Family Resource Center

23-24 Concrete Goods Requests

- Amara's Family Resource Center will provide concrete goods to families to help meet various needs for family stability and child safety. Families who reside in Pierce County or are involved in an Amara program are eligible to submit a request.
- A limited number of funds are available each month from October 2023-September 2024. Once funds for a month are exhausted, requests will close and the Request Form will be available again the following month.
- Request forms will be processed in the order they are received.
- Assistance families can receive through concrete goods are subject to available funding, and we cannot guarantee availability of items.
- A Concrete Goods Referral can be submitted directly from individuals, Amara programs, or other community agencies.
- Concrete Goods received through this funding cannot be used to buy alcohol, marijuana, tobacco, vaping supplies, firearms, or other weapons.
